Flashcards
Listening to stories
Sharing and retelling stories
Core Books

PHONICS – 'The Teaching of Phonics' information sheet.

FS/Y1/Y2 daily phonic groups
KS2 Phonic work – identified pupils
Intervention Support

We encourage reading skills beyond the Literacy lesson:

- Worded problems in Numeracy
- Researching topics using books/ ICT Suite/Netbooks
- Encouraging Home-School Reading

We make clear links between reading and writing during Literacy sessions where teachers analyse the model text (shared reading/writing)

GUIDED READING

Focused independent activities:

- Independent comprehension activities based on the GR text.
- Listening to stories on CD player/headphones and following the text.
- Spelling/handwriting based on the spellings/patterns relating to the Literacy work for the week. (investigating the spelling patterns).
- Research topics using ELS books/Netbooks (KS2)

Using the four 'reading areas':

- Shared
- Guided
- Independent
- Focused

Follow up activities based around the guided reading text that give children the chance to answer comprehension questions in an example of focused reading.

Our children are becoming increasingly aware of the 7AFs in a 'child friendly' format.

CLASSROOM ENVIRONMENT

Reading Trolleys – genre sections
Word rich environment
Project collections – Education Library Service

SUPPORT PROVISION

ECaR – Every Child a Reader Teacher
Switch On – Year 1 and Year 2

WORKING IN PARTNERSHIP/FAMILY LEARNING

- Supporting your child with Literacy
- Digital Families – PowerPoint on Year group topic
- Bright Ideas
- Story Sacks

Reading Room – School Website www.kingswayprimary.com

WE CELEBRATE

World Book Day
Roald Dahl Day

We have 'Story Swap' where each teacher reads a story – the children chose the story they would like to listen to but do not know who is reading it.
Bring your favourite book to school

We send Books to Africa that are no longer required/donated/remaining at the Christmas/Summer Fair.
