

Butterfly Class  
Autumn Term 2 2015  
Mrs Jennings and Mr Dallison

*Mathematics: We are learning to count an irregular arrangement of up to 10 objects, say the number that is one more or one less than a given number. We will also learn to order objects by size and practise repeating patterns.*

*PSHE and R.E.*

*Our topic is great for learning about many faiths and religions. We will discuss the different beliefs within each religion.*

*Being Creative!*

*This topic will allow us to be extremely creative making various things such as Diwali lamps and Christmas decorations.*

*Knowledge and Understanding:*

*Our topic is: - 'Festivals and Celebrations'  
The children will learn about a variety of festivals that take place around the world in various different cultures. These festivals will include Bonfire Night, Diwali, Eid and Christmas. We will also discuss why some people celebrate various other occasions such as birthdays whilst some people choose not to. This topic will allow us to talk about the different faiths and religions within the world such as Christianity and Hinduism.*

*Our Christmas production will be 'The Snowman at Sunset'.*

*Communication, Language and Literacy:  
We will question and discuss why people celebrate certain festivals. We will also build up vocabulary that reflects the breadth of their experiences.*

*Computing: We will focus on improving our keyboard skills to accompany the mouse skills we have already learned.*

*Getting Active and Being Physical!*

*We will continue to develop our multi skills within PE using varied equipment such as bean bags, balls and hoops. We will also have weekly Muddy Feet sessions.*
