

Butterfly Class  
Summer Term 2016  
Mrs Jennings and Mr Dallison

*Mathematics:*

*In shape, space and measures we are exploring weight and capacity.*

*In number we will be practising adding and subtracting with single digit numbers.*

*PSHE and R.E.*

*We will be learning how to care for animals and their environment. We will debate whether it is fair to keep animals in a zoo.*

*Being Creative!*

*We will get creative and make animal masks.  
We will collage animal patterns.*

*Knowledge and Understanding:*

*Our topic is: - Animals*

*We will go on a minibeast hunt and look closely at what we can find in our Foundation Stage garden to learn more about them. We will be looking at different types of animals including our pets, those at the farm and in the zoo. We will be naming and labelling animals and their young. We will look at similarities and differences between the animals we meet. We will be thinking about what animals need to live and how they are adapted to their environment.*

*Communication, Language and Literacy:*

*We will be enjoying lots of animal stories such as 'Dear Zoo' and 'Farmer Duck'. We will write our own information books about how to look after our pets.*

*Computing:*

*We will be exploring 'real life' technology for example how a washing machine works and how to programme them.*

*Getting Active and Being Physical!*

*In PE we will be practising our skills for sports day. This year EYFS will take part in a races and potted sports.*
