

Curriculum Map

Name of Class Teacher: Mrs C Turner

Year Group: 5 Falcons

Date: September 2016

Mathematics: We will be looking at both mental and written methods of calculation. We will be working with decimal numbers, fractions and percentages. We will be applying the new skills to solving a range of problems.

Topic: World War 1 is our topic focus this term. We will be looking at the impact of the War on Kirkby. We will also be taking part in the Remembrance Day Commemoration Service.

Literacy: There will be lots of reading early this term and we will be learning about Indian Myths and Legends. Eventually we will be writing our own myth. Grammar and Spelling will be incorporated into all our lessons.

Science: We are studying Earth, Sun and Moon. During our Science lessons we will understand the lunar cycle, and how the position of the Earth affects the seasons.

Computing: Our computing curriculum will be learning about coding. We will use Kodu as well as Scratch to learn this skill.

P.E.: We will be practising our ball game skills.

PSHE and R.E. The Steven Lawrence story will be our focus to try to understand why people treat each other in certain ways. We shall be considering what we mean by Peace.

Art, Design and Technology: Ceramic Poppies, Dioramas of WW1 trenches and study of a War Artist will be our activities this term.
