

Curriculum Map

Name of Class Teacher: Miss Limb

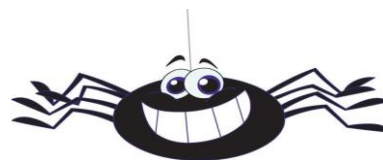

Year Group: Year 1 (Spiders)

Date: February – March 2016

Mathematics: In our maths lessons we will be learning about 3D shapes and going on a shape hunt around school. We will be telling the time and measuring and recording using cm. We will continue our work on number bonds to 20.

Science: In science we will continue to learn about animals, humans and habitats. We will learn about the seasonal changes that take place as winter turns to spring.

P.E.: In PE we will be moving our bodies to a range of music during dance lessons. We will also be using the large apparatus in the lower hall.

Topic: In our topic lessons we will be from the past. We will learn about and compare the lives of artists, inventors, authors and monarchs. We will think about the way their work has influenced our lives.

PSHE and R.E. In RE we will be learning why Easter is an important time for some people. We will be creating Easter inspired art and hopefully tasting hot cross buns.

Literacy: In our literacy lessons we will be focusing on three stories: Little Red Riding Hood, Goldilocks and The Three Little Pigs. We will learn about the way stories are structured and use them as a starting point for our own stories.

Computing: In computing lessons we will be learning how to use technology to control devices both on and off screen. We will use the floor turtles and Robomind.

Art, Design and Technology: Our work will be linked to our topic. We will be painting in the style of different artists and creating a monarch collage.
