

Curriculum Map

Name of Class Teacher: Miss Limb

Year Group: Year 1 (Spiders)

Date: Jun - July 2016

Mathematics: In our maths lessons we will be counting in 2s, 5s and 10s. We will be telling the time and putting different events into chronological order. We will be carrying out surveys and putting the information into graphs and charts.

Topic: In our topic lessons we will be learning about the Olympics. We'll be learning about the history of the games and finding out about the different sports. We'll write our own Olympic fact

files.

Literacy: In our literacy lessons we will be writing instructions for our friends to follow. We will be reading poems about summer and writing our own. Finally we will make our own superhero comics to share with other children..

Science: In science we will continue our plant topic. We will investigate the plants that grow in Kirkby and the plants we eat. We will learn about the seasonal changes that take place in summer.

Computing: In computing lessons we will be learning how to create and debug simple programs. We will be using online simulators to direct vehicles.

P.E.: In PE we will be getting ready for Sports Day. We will be planning and holding our own Kingsway Olympic Games.

PSHE and R.E. In RE we will continue to learn about the similarities and differences between Jewish and Christian stories. We will be thinking about why the Bible and Torah are important.

Art, Design and Technology: Our work will be linked to our topic. We will be recreating flags from countries taking part in the Olympics and designing a salad linked to the plants in our science
