

Curriculum Map

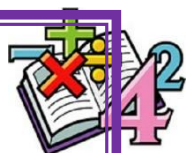

Name of Class Teacher: Mrs C Turner

Year Group: 5 Planets

Date: May 2016

Mathematics: We will be learning about: Our Maths includes understanding decimal numbers, using the four written methods of calculation and lots of geometry. Knowing all the times tables by heart would make Maths easier.

Literacy: We will be learning about: We will be writing in a whole range of genres and in particular learning and applying lots of grammar. This will be a great help when we move to Year 6. We will be spending time practising our play for the end of term.

Science: We shall continue to follow the Lifecycle of animals and plants and this term we have our first lesson on SRE – where we look at what happens to us as we enter puberty.

Topic: We will be learning about: We will be learning the history of Portland Park to understand how land use has changed. We have a special topic on the Queen as she celebrates her 90th Birthday. We will have a Geography focus on life in South America.

Computing: Our computing curriculum will be learning about coding. We will use Kodu as well as Scratch to learn this skill.

P.E.: for PE this term we are swimming and enjoying cricket coaching. We also have Sports Day to look forward to.

PSHE and R.E. Our RE this term is to understand how what different beliefs there are around the world.

Art, Design and Technology: We will continue our studies of 20th Century artists – David Hockney will be our focus artist.
