

## Curriculum Map

**Name of Class Teacher: Miss Limb**

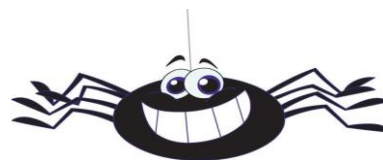

**Year Group: Year 1 (Spiders)**

**Date: April - May 2016**

**Mathematics:** In our maths lessons we will be finding halves and quarters of shapes and numbers. We will be measuring weights, heights, distance and capacity. We will also be using directional language, making half and quarter turns.

**Science:** In science we will start to learn about plants. We will investigate the conditions plants need to grow. We will learn about the seasonal changes that take place as spring turns to summer.

**P.E.:** In PE we will be working on our sports skills with a professional sports coach. We will also be using the large apparatus in the lower hall.

**Topic:** In our topic lessons we will be thinking about why it's 'Cool in Kirkby!' We'll be reading maps and making our own. We will looking at local services and finding out about the type of houses people live in.

**PSHE and R.E.** In RE we will be learning about Judaism. We will find out about special religious days and festivals and why these are important to Jewish people.

**Literacy:** In our literacy lessons we will be writing a class book about The Queen's 90<sup>th</sup> birthday. We will be using stories about Katie Morag as a starting point to write our own stories. Finally we will make a fact file about life in Kirkby.

**Computing:** In computing lessons we will be learning about algorithms. We will be writing our own algorithms to control turtles.

**Art, Design and Technology:** Our work will be linked to our topic. We will be redesigning the local park and sketching different styles of house. We will take rubbings around the church grounds.
