

Curriculum Map

Name of Class Teacher: Mrs C Turner

Year Group: 5 Planets

Date: November 2015

Mathematics: We will carry on developing mental and written methods of calculation. Our work continues with decimal numbers, fractions and percentages. Problem solving remains integral to learning and geometry is now included.

Science: We will be studying forces and how they affect us. This will include Gravity, Opposing Forces, Friction, and Air and Water Resistance.

P.E.: Mr. Woolley will be coaching us in football skills and basketball this term.

Topic: After Remembrance Day, our focus will turn to the plight of Evacuees and The Kindertransportees fleeing from persecution in Europe. We will be visiting The Journey at The Holocaust Centre.

PSHE and R.E. Our previous work on Moses has helped us understand the flight of the Hebrews, we will be developing this to understand how to keep belief when faced with persecution.

English: We welcome Miss Goodenough to our class this term and she will be using drama to understand the plight of Evacuees. This will help develop diary and letter writing skills. Grammar will continued to be threaded throughout each genre of writing.

Computing: Our computing curriculum will be learning about coding. We will use Kodu as well as Scratch to learn this skill.

Art, Design and Technology: Ceramic Poppies, Dioramas of WW1 trenches and study of a War Artist will be our activities this term.
