

PLAYGROUND LEADERS & PLAYGROUND BUDDIES

At Kingsway we have a team of representatives, with two children from each class who are 'Playground Buddies'. They are managed by Mrs Z. Turner and a team of Year 6 Playground Leaders. The children are 'Trained Communicators' who help to create a happy playground and keep our children safe.

They are role models and help support all our children to:

- Treat each other with respect.
- Value each other's opinions.
- Be a good friend.
- Care for each other.
- Support each other
